2013-14 Highlights & Accomplishments

Below is a limited listing of faculty, staff, and student achievements during the 2013-14 academic year.

INDIVIDUAL STUDENT HONORS

- **Justin Kernes** had a solo show of his photography at the Brea Art Museum, "Emerging Artist 2014."
- **James Jimenez** was hired at Disney Theme Park in Anaheim as a photography coordinator; he oversees scheduling and staffing of photography projects.
- **Stefania Aradillas** was recognized as the best female athlete for softball in the South Coast Conference and awarded a \$500 Don MacKenzie Memorial Scholarship.
- **Aaron Clancy** was recognized as the best male athlete for men's swimming in the South Coast Conference and awarded a \$500 Don MacKenzie Memorial Scholarship.

STUDENT GROUP and TEAM HONORS

- The **Mt. SAC Athletics Program** has won National Association of Two-Year College Athletic Administrators (NATYCAA) Cup Championship honors – crowned to the state's most outstanding two-year college athletics program – four times in NATYCAA's 11-year history.
- The **Wrestling Team** won the State Championship for the first time in its program history.
- The **Women's Track Team** won the State Championship.
- The **Dance Team** won the National Championship.
- The **Jazz Band** and **Frontline** both placed 1st at the Reno International Jazz Festival.
- The **Flying Team** won the Top Community College Trophy at the National Intercollegiate Flying Association's National Competition at Ohio State University, the sixth win since 2000, and won the Top Community College Trophy at the Regional competition at Embry-Riddle Aeronautical University, Prescott, Arizona, their twenty-third consecutive regional community college award.
- **Fashion students Faye Owen** and **Joey Becerra** each won 1st place in the Rising Star category in the competition sponsored by the Textile Association of Los Angeles. Each student received a \$500 dollar scholarship.
- **Accounting, Finance, Management, and Business Club Officers** attended an "Economic and Finance Summit" conference in San Francisco.
- The **Robotics Team** received donations from the Collegewood Community Club for their service to the elementary school in presenting robotics classes to every third grade class at the school, and from the Chinese Institute of Engineers to support the development of advanced robotics programs.
- The **Robotics Team** won 1st place in the inaugural event METAL CRUNCH.
- The **Robotics Team** took 3rd in skills points at the VEX University World Competition and 6th in programming out of a field of 60 international university competitors, making Mt. SAC the highest scoring community college.
- The **Autonomous Ground Vehicle (Robotics Team)** won the National Robothon Robomagellan event. Robot Magazine (circulation 35-50,000) published three articles from robotics team members and faculty.
- **Industrial Design students** won first place in the 2014 Regional AERO Def Manufacturing Competition with their fully functional, Multi-Platform Flight/Ground Simulation Chair.
- **Respiratory Therapy students** competed at the South Coast Chapter California Society for Respiratory Care Meeting, finishing in 1st place.
- **Health Career students** won 8 gold medals (4 for biomedical debate and 4 for creative problem solving) at the Health Occupation Students of America National Competition in Orlando, Florida.
- **Mt. SAC students** participated in a Summer Research Program for Astronomy, in collaboration with CSUSB during summer 2013.
