   Title 5 Sections 51006, 58106, and 58108

All classes are open to all students who meet the course prerequisites and enrollment requirements, unless specifically exempted by statute.  The College provides open access to all program offerings, opportunities, and support services without regard to race, religious creed, color, national origin, ancestry, physical disability, mental disability, medical condition, marital status, sex (gender), age, sexual orientation, or the perception that a person has one or more of these characteristics.

All courses of the College shall be open to enrollment in accordance with BP 5052 and a priority system consistent with Administrative Procedure 5055.  Enrollment may be limited to students meeting properly validated prerequisites and co-requisites, or due to other non-evaluative, practical considerations as determined by the Chief Instructional Officer.

No student is required to confer or consult with or required to receive permission to enroll in any class offered by the College, except as provided for in Administrative Procedure 5055 and select Health Occupational Programs such as Nursing, Mental Health Technology, Paramedic Program, and Respiratory Therapy.

Students are not required to participate in any pre-registration activities not uniformly required, and no registration procedures are used that result in restricting enrollment to a specialized clientele, except as provided for in Administrative Procedure 5055 and select Health Occupational Programs such as Nursing, Mental Health Technology, Paramedic Program, and Respiratory Therapy.

A student may challenge an enrollment limitation on any of the following grounds:

- the limitation is unlawfully discriminatory or is being applied in an unlawfully discriminatory manner;
- the College is not following its enrollment procedures; or
- the basis for the limitation does not in fact exist.

The Mt. San Antonio College Catalog contains the most recent information regarding Open Enrollment.  This document is updated annually for currency and correctness.
