D. Trustee Bader reported the following:

- She attended the Foundation Retreat.
- She attended the San Gabriel Valley Economic Partnership Awards dinner.
- She mentioned that, at the L. A. County Fair, there is a great animation display.
- She’s taking a class in the Wellness Center and recommends it highly.

E. Trustee Hall reported the following:

- He attended the San Gabriel Valley Economic Partnership Awards dinner. He thanked Dr. Scroggins for serving on the Board of Directors of that organization.
- He thanked Marlen Garcia for attending tonight’s Board meeting.
- He said that, earlier this evening, another candidate, Steve Herfert, was on campus.
- He said he was very disappointed that Mt. SAC’s football team lost to Saddleback College.

H. Trustee Baca reported the following:

- He attended the San Gabriel Valley Economic Partnership Awards dinner.
- He attended the football game and was sad to see that Mt. SAC lost, but looks forward to wins in the future.
- He will be attending the students' retreat in Lake Arrowhead.

## 8. PRESIDENT SCROGGINS' REPORT INCLUDED THE FOLLOWING:

- He welcomed new employees Monica Cantu, Kameliya Chekardzhikova, Taylor Dinius, Candis Kumpe, and Leonard Ortiz.
- He welcomed new faculty John Burdett, Carly Creley, Brian Crichlow, Taber Dunipace, Kay Dutz, Cheryl Gilbert, Hong Guo, Scott Jaeggi, Jason Perez, and Roger Willis.
- He congratulated Anna Acosta on her retirement.
- He talked about the Board of Trustees' meeting dates, going forward, and how the dates affect Payroll since new employees are required to work one day in the month in order to receive benefits beginning the next month. With the meeting dates as is, sometimes employees are required to wait a month before receiving benefits. Moving the Board meeting dates up a week, to the third Wednesday of the month, would alleviate this problem. His suggestion is to revise the meeting dates effective with the 2014-15 fiscal year.
- He introduced **Mike Gregoryk**, Vice President, Administrative Services; and **Rosa Royce**, Associate Vice President, Fiscal Services, who gave a report on the 2013-14 Adopted Budget.

The budget assumes revenues totaling \$137.4 million while expenditures are estimated at \$147 million, resulting in a projected structural budget deficit of \$9.4 million. The budget includes an unrestricted general fund balance, formerly known as reserves, of \$19.7 million. For the first time in six years, the College received \$371,000 from the State for instructional equipment. Looking ahead, the College will continue its efforts, through collaboration and teamwork, to ensure Mt. SAC's fiscal stability. Ms. Royce mentioned that we're getting paid from the Education Protection account, that approved with the passing of Proposition 30, quarterly, and we received a balloon payment last June 28.

Mr. Gregoryk said that our OPEB Trust is at risk, if we don't make our payments, and we're fortunate to have \$75 million in that Trust.

Mr. Gregoryk also said that the redevelopment backfill will be a concern over the next three years or so; but, we'll probably receive approximately \$1.4-\$2 million.

Another issue is that the IRS is requiring social security numbers on the 1098T forms, which is not required on Mt. SAC's part. So, the IRS wants the students to send a letter to Mt. SAC providing that number. Information Technology said there's a huge problem with that regarding security. ACBO is taking a lead for all of the 112 California community colleges to respond to the IRS by the deadline of October 15.

Mr. Gregoryk said that we still don't have numbers for categorical funding for Student Success; however, we expect it soon.

Mr. Gregoryk also said that, for the first time in years, we're going to be able to fill some of our New Resource Allocation Requests and follow our Budget Process.

Mr. Gregoryk said that we're working hard on enrollment management and believes we can earn the 1.63% in growth restoration. He said that we're very fortunate because there are several colleges that struggle to get to base, let alone to growth cap.

Mr. Gregoryk said that the most important thing that happens at Mt. SAC is the collaboration and teamwork that goes on to stay at the same fiscal level. We haven't laid people off, we haven't cut salaries, and we haven't instilled furlough days. He said it was a pleasure to see some new allocations, such as COLA.

Trustee Chen Haggerty asked how much is in the OPEB Trust, and Mr. Gregoryk said that there's a base of about \$75 million, and the interest on the Trust is enough to pay the retiree health benefit premiums, even without contributing to the Trust. Also, he doesn't foresee any fluctuation in 2013-14. Dr. Scroggins mentioned that, not contributing to the OPEB Trust may affect Mt. SAC's ability to sell bonds and may affect our bond rating. Mr. Gregoryk said that it's important to keep our reserves within the Board Policy, and that's one of the reasons we have such a high bond rating. Trustee Hall asked how much are we paying out per year for retirees, and the answer was about \$4 million.

Trustee Bader asked what the redevelopment shortfalls are, and Mr. Gregoryk said that we thought it was pretty solid when the Department of Defense (DOF) said it would be making a payment June 30, and then discovered that the amount wasn't as significant as originally thought because the cities couldn't dispose of their properties as was anticipated. So, now it's in the Assembly to settle the amount. The DOF's numbers are different than the Chancellor's Office numbers.

The 2013-14 Adopted Budget summary presentation is included on the College website with these minutes.

## **10. CONSENT ITEM #8 – PRE-CONSTRUCTION SERVICES FOR THE BUSINESS AND COMPUTER TECHNOLOGY PROJECT AND THE PARKING STRUCTURE PROJECT**

Trustee Hall said that he's assuming that the Tilden-Coil will be the contractor for pre-construction services for all projects going forward. Gary Nellesen, Director, Facilities Planning and Management, said that we're bringing them to the Board of Trustees one project at a time.

If it works out, then we'll continue with Tilden-Coil; however, if it doesn't work out, we'll go out for a new Request for Proposal. Trustee Hall said that he doesn't want Mt. SAC to put all of its eggs in one basket, i.e., creating a monopoly. Dr. Scroggins said that, during the first few small projects, an additional analysis was done to be sure the prices are reasonable. In one case, we told Tilden-Coil that the Guaranteed Maximum Price wasn't in line, and it was changed. He assured Trustee Hall that due diligence and analyses were done. Trustee Hall said that he wants to make sure that the dollars aren't the only thing that's being considered and that quality isn't being sacrificed. Mr. Gregoryk said that the Student Success facility and the Food Services facility, which are in DSA right now, will give us a better indicator on how Tilden-Coil is doing. Mr. Nellesen reiterated that we're starting out with small projects. Trustee Chyr called attention to approval of large projects on tonight's agenda, and he asked what expertise we have in-house. Mr. Nellesen said that pre-construction is what we normally ask contractors to do. Trustee Chyr indicated that he's concerned that we're getting into another Bovis-like scenario and asked how we measure the value that is being brought to the process. Mr. Nellesen said that these services are costing Mt. SAC a lot less than with Bovis.

It was moved by Trustee Bader, seconded by Trustee Hall, and passed to approve this item. Student Trustee concurred.

#### **11. CONSENT ITEM #9 – LEASE/LEASEBACK CONSTRUCTION SERVICES FOR THE EMERGENCY OPERATIONS CENTER**

Questions for this item were answered in paragraph 10, above.

#### **12. CONSENT ITEM #14 – CONTRACT AMENDMENTS**

Trustee Hall asked how the item for the Agricultural Sciences Complex project went from \$100K to \$393K. Mr. Nellesen said that, when the AC Martin contract was terminated, it was 80% complete; then, Hill Partnership was hired for this work and to close out the project with DSA.

Trustee Chyr asked that a percentage be included on all contracts in the future.

- Contract Environmental Impact Report Master Plan Update – Sid Lindmark (Professional Design and Consulting Services) – Amendment No. 1.
- Contract Child Development Center – tBP Architecture (Professional Architectural and Construction Administration Services) – Amendment No. 15.
- Contract Agricultural Sciences Complex – Hill Partnership, Inc. (Professional Architectural and Engineering Services) – Amendment No. 8.

It was moved by Trustee Chen Haggerty, seconded by Trustee Bader, and passed to approve this item. Student Trustee concurred.

**13. CONSENT ITEM #17 – PERSONNEL TRANSACTIONS**

Dr. Scroggins explained that the Human Resources job is temporary as a result of a failed search for a new director and that the temporary reclassification is a combination of two management positions. Many hours are being worked to accomplish the needs of the department, and a new search for a director will be attempted in the spring.

Also, dates for two Interim Associate Deans were corrected to read, "From: 8/20/13 and To: 8/12/13."

After much discussion, it was moved by Trustee Bader, seconded by Trustee Chen Haggerty, and passed to approve this item. Student Trustee abstained.

**14. CONSENT ITEM #20 – AGREEMENT WITH WISE ABROAD, LLC, FOR THE STUDY ABROAD PROGRAM IN TAIPEI, TAIWAN, JANUARY 8 THROUGH FEBRUARY 15, 2014**

Trustee Chen Haggerty thanked Dr. Scroggins for providing her with the itinerary for this trip. She asked if students are getting financial aid to attend. Dr. Yamagata-Noji said that, if the student is enrolled in the class, they could receive a loan or financial aid, if qualified. Trustee Chen Haggerty expressed her concern that students are taking loans to attend. Dr. Malmgren said that the program director and faculty have developed a syllabus for both this trip, and the Student Learning Outcomes requirements will be met.

It was moved by Trustee Chen Haggerty, seconded by Trustee Bader, and passed to approve this item. Student Trustee concurred.

## **16. CONSENT ITEM #12 – CHANGE ORDERS**

Regarding Bid No. 2827, Child Development Center, Doja, Inc. (Grading Contractor) – Change Order No. 7, Items 3 and 4, it was asked why it was necessary to demolish a wall that was too low and why did we need to re-grade for landscape planting.

Gary Nellesen said that the project was done in two phases: the first one was the intersection improvements at the intersection of Bonita and Walnut, which included a number of very large retaining walls. Since its inception, as being part of Measure R, codes have changed, and the State Architect directed changes to be made to those walls. The second phase was part of Measure RR.

Mr. Nellesen reminded the Board that, with the new Lease/Leaseback delivery method, these kinds of problems won't happen as often, and it won't cost the College anything for these changes.

The following bids had no issues.

- Bid No. 2827 Child Development Center – Doja, Inc. (Grading Contractor) – Change Order No.7.
- Bid No. 2832 Child Development Center – Continental Plumbing (Plumbing Contractor) – Change Order No. 5.
- Bid No. 2830 Child Development Center – Liberty Mutual/Safeco (General) – Change Order No.8.

It was moved by Trustee Chyr, seconded by Trustee Hall, and passed to approve this item. Student Trustee concurred.

## **18. ACTION ITEM #1 – PERSONNEL TRANSACTIONS**

This item was put on the agenda as a Placeholder, and the final item was presented to the Board at the beginning of tonight's meeting.

It was moved by Trustee Chen Haggerty, seconded by Trustee Bader, and passed to approve this item, as corrected. Student Trustee concurred.

## **19. ACTION ITEM #2 – THREE-YEAR NEGOTIATED AGREEMENT BETWEEN CSEA, CHAPTER 262 AND THE DISTRICT FOR 2011-14**

It was moved by Trustee Chyr, seconded by Trustee Hall, and passed to approve this item. Student Trustee concurred.

**20. ACTION ITEM #3 – THREE-YEAR NEGOTIATED AGREEMENT BETWEEN CSEA, CHAPTER 651 AND THE DISTRICT FOR 2011-14**

It was moved by Trustee Chen Haggerty, seconded by Trustee Hall, and passed to approve this item. Student Trustee concurred.

**21. ACTION ITEM #4 – YEAR THREE AGREEMENT BETWEEN THE FACULTY ASSOCIATION AND THE DISTRICT FOR 2011-14**

It was moved by Trustee Bader, seconded by Trustee Chen Haggerty, and passed to approve this item. Student Trustee concurred.

**22. ACTION ITEM #5 – CONTRACT WITH CREDENTIALS ORDER PROCESSING SERVICE INC. FOR PARKINGPLUS**

It was asked if motorcycles are required to have parking permits, and the answer was yes. It was also asked where the collected monies go, and the answer was that parking funds are used to make parking lot improvements.

It was asked why there's a fee for in-person purchases of parking permits, and who will incur this fee. It was answered that the Parking Fund will incur the \$.65 fee.

It was asked that, if the student doesn't receive the parking permit in the mail, how do they receive it? It was answered that a temporary on-line permit would be issued immediately.

It was moved by Trustee Chen Haggerty, seconded by Trustee Bader, and passed to approve this item. Student Trustee concurred.

**23. ACTION ITEM #6 – AMENDMENT TO DR. SCROGGINS' EMPLOYMENT AGREEMENT FOR THE PERIOD JULY 1, 2013, TO JUNE 30, 2014**

Trustee Chyr mentioned that this is the second year that this has been brought before the Board. He said that his vote is still "no" because of the poor financial environment that the College is experiencing, and that it would take a lot of convincing for him to change his vote. He reminded the other trustees that, even though the Board could have voted to raise their salary in the last ten years, they have decided not to take a raise.

Trustee Hall said that he's not adverse to what's being proposed when he looks at the compensation package of Dr. Scroggins' predecessors, i.e., Dr. Feddersen and Dr. Nixon. They received some kind of annuity that was comparable to this amount (\$10,000). He said that the College is being run extremely well by Dr. Scroggins, and he feels that Dr. Scroggins should be compensated at least as well as Dr. Nixon. He also mentioned that he read an article in the newspaper that said that the President of Citrus College is receiving a \$40,000 housing subsidy.

Trustee Baca said it's very consistent with Dr. Nixon's compensation package.

Trustee Bader said that she thinks it's overwhelmingly illogical to deny giving Dr. Scroggins this annuity.

Trustee Cyr asked why it wasn't given to Dr. Scroggins in the beginning, and Dr. Scroggins reminded everyone that this was negotiated when he was hired. He reminded Trustee Chyr that Trustee Chen Haggerty was Board President at the time he was hired, and the two of them developed his contract very carefully. He said that, at the time he was hired, it was very important to Trustee Chen Haggerty to have a unified agreement for his services.

It was moved by Trustee Chen Haggerty, seconded by Trustee Bader, and passed by a vote of 4:1 to approve this item, with Trustee Chyr voting no. Student Trustee concurred.

**24. INFORMATION ITEM #1 – NEW ADMINISTRATIVE PROCEDURE 3110 – ACADEMIC DEPARTMENT REORGANIZATION**

This item was presented to the Board for information only.

**25. ADJOURNMENT**

The meeting adjourned at 9:18 p.m.

**Academic Senate Report  
To the Board of Trustees  
11 September 2013**

Full Senate Activity

The Senate held its first meeting of the year on 29 August. Twelve items were discussed and the Senate confirmed the appointment of Doug Hughey (Child Development) as the Teacher Preparation Institute Coordinator. The Senate will next meet tomorrow to consider the recommendations of five task forces from last semester and to determine our position on three Senate resolutions and three administrative procedures.

Senate Appointments

The Academic Senate has 151 out of 154 positions on college-wide committees currently staffed by 111 distinct faculty. In addition, there are 72 voting members of the Academic Senate this year, which makes for one of the most representative Academic Senates in the community college system.

Hiring

The Academic Senate, in conjunction with the Instruction Office, has begun the process for hiring faculty for 2014-15. Department chairs received a letter last May asking for submission of a request form from the divisions by **30 September**. We expect the number of faculty to be hired this year to return to typical levels, and it is necessary to prioritize so as to align potential hires with the most significant program needs.

Respectfully submitted,  
Eric Kaljumägi  
President, Academic Senate

*"To improve the lives of  
our members, students,  
and community."*

September 11, 2013

Included on tonight's Board Agenda on Page 42 of Personnel Transactions is a request for a Temporary Change in Title and Salary for the Director, Equal Employment Opportunities (EEO) Programs. This item is being requested due to the recent failed search for a Director, Human Resources Operations and Employee Services recruitment. It seeks to combine both positions of HR and EEO Directors, which are currently Range M17, and increasing the newly created position to a Range M21. On behalf of Chapter 262 members, I have to express our displeasure in this recommendation.

Due to fiscal constraints over recent years, classified vacancies have not always been funded for replacement. Despite the vacancies not being filled the work has not always been reduced and in most cases has increased. This has resulted in some classified staff performing the duties of multiple positions. In some instances, classified staff were offered the opportunity to receive additional compensation for their out-of-class work. Unfortunately, many more were mandated to do this extra work without even the offer of additional compensation. Classified employees have consistently and willingly done what was needed to keep Mt. SAC students well-served and operations running as smoothly as possible. Classified employees continue to do the work because of the pride they take in their jobs and their commitment to students and this organization. In other instances, classified employees think and feel they have no choice but to take on these additional duties out of fear of retaliation or not being viewed as team players.

Please understand CSEA Chapter 262 recognizes these changes have not only affected our bargaining unit, but also most other employee groups as well. We recognize management staff are required to ensure the students we serve receive the best services and resources possible. Our objection is to the District's continued actions that indicate the work performed by managers is more important and somehow more deserving of additional compensation when additional work is required. The work of classified employees does not receive the same consideration; quite frankly this is an insult.

Over the last several years, I have approached Human Resources and identified unit members who have taken on the work of two or more positions and was repeatedly told, "If your unit members are not doing work above their classification, for which a classification exists, there is no way to compensate them. Unit members will need to await the results of the Koff and Associates

Classification and Compensation Study to determine their job title and the commensurate pay.”

We are not attempting to diminish that a single individual is being asked to perform the duties of two separate positions. Nor are we denying that this should not be required or expected of any individual. We are simply saying - to create a classification for a manager and assign it a higher salary range while denying the same to classified employees in the same situation is disparate treatment.

To be clear, we believe all employees should be fairly compensated for the work they perform. What we don't agree with is setting a double standard that values the work of one group over another.

Therefore, I, on behalf of CSEA Chapter 262, respectfully request the Board not approve this Personnel Transaction.

Respectfully submitted,

Laura Martinez, President  
CSEA Chapter 262

## **Foundation Report to the Board of Trustees September 11, 2013**

On behalf of the Mt. SA Foundation I am pleased to report the following activities:

I met recently with representatives from the Pomona Valley Pilots Association. They have been scholarship donors to the Aero program for more than 20 years. I'm talking with them about creating an endowment that will provide scholarship support for our students in perpetuity. Incidentally, the Co-Chair of the program, Robert Rogus, was the recipient of one of these scholarships when he was a student at Mt. SAC.

Board President Mike Shay and I met recently with Gail Kiralla. It was a very positive meeting. The building going on at Mt. SAC impresses Gail. She expressed strong interest in rejoining the Foundation Board at a point in the near future. She also told us that Mt. SAC again this year would be one of the beneficiaries of the Majestic Realty Holiday event. And Gail offered to help us bring Ed Roski to campus to see some of the things happening here at the college.

Our Foundation Board retreat was last week. I want to thank Trustee Bader for her involvement and participation. It was a good retreat. We focused much of our attention on the role of the Board. We talked about ways they can be promoting the college in the community. We discussed their role in helping us connect with people they know who have the potential to be philanthropic difference makers for the campus. I think the message resonated—three board members handed me pieces of paper with the names of people they promised to introduce us to and another phoned me over the weekend to discuss engagement strategy for a contact he has in the community. I am pleased with the progress we are making.

Finally, President Scroggins and I had lunch with Jim Randall of Allfast, Inc. Mr. Randall, as you know, is the naming donor for at the Mt. SAC Planetarium. He once again expressed his allegiance to Mt. SAC and raved about the important role we serve in the community. The president and I are going to work closely with Mr. Randall and his team to build a pipeline of opportunity from Mt. SAC to jobs and careers for our students at Allfast. Mr. Randall also committed to helping fund a number of priorities identified by President Scroggins. He went even further by promising to introduce us to a number of his key contacts—people who he will strongly encourage to support the college as he does.

## 2013-14 Adopted Budget

### President's Message

For the third year in a row the Legislature passed and the Governor signed the State budget on time. This budget is balanced for the first time since 2002—no gimmicks. Unlike the 2012-13 spending plan which depended on the passage of Proposition 30, the 2013-14 plan does not rely on any voter outcome or on any unexpected revenue to materialize. Consequently, the budget does not include trigger cuts; although we will need to see if the revenue assumptions of the budget survive our turbulent state economy.

This year, the overall State budget outcome is very positive for community colleges. The economy is moving slowly, but in the right direction. The passage of Proposition 30 provided additional revenues which benefit education. The major highlights for the California Community Colleges in the 2013-14 State budget are as follows:

- \$89.4 million (1.63%) in Access, Growth/Restoration funding to help restore some of the FTES lost in recent years;
- \$87.5 million (1.57%) cost-of-living adjustment (COLA), not funded since 2007-08;
- \$88 million for Categorical Programs:
  - \$50 million for the Student Success and Support Program (formerly Matriculation);
  - \$15 million for Disabled Student Programs and Services (DSPS);
  - \$15 million for Extended Opportunity Programs and Services (EOPS); and
  - \$8 million for California Work Opportunity and Responsibility for Kids (CalWORKs).
- \$369 million to reduce deferrals from \$961 million to \$592 million;
- \$30 million in one-time funds for Scheduled Maintenance and Instructional Equipment;
- \$150,000 for the State Academic Senate;
- \$25 million for local planning related to the new Adult Education Consortia;
- \$16.9 million for the Governor's Online Education Initiative; and

- \$47 million for Proposition 39 energy efficiency activities to be allocated at the discretion of the Chancellor's Office.

Fortunately, through planned actions, Mt. SAC has maintained a healthy fund balance (reserves). This fund balance, added to the additional revenues approved in the 2013-14 State budget, will enable the College to sustain programs and services for the 2013-14 fiscal year and will allow time to develop a plan for maintaining fiscal stability for the 2014-15 fiscal year and beyond.

With the passage of Proposition 30 and the dissolution of the redevelopment agencies, the apportionment funding for community colleges is more dependent on uncertain revenue estimates than in past years. In the 2008-09 fiscal year, two-thirds of the apportionment was General Fund approved in the Budget Act. Since 2012-13, this ratio has fallen to one-third. The remaining two-thirds are based on estimates that may or may not hold. These revenue estimates are comprised of the Education Protection Account funds (Proposition 30), redirected revenue from the dissolution of the redevelopment agencies, student fees, and property taxes.

Instead of an estimated \$5,368,034 budget deficit that was projected for 2012-13, the fiscal year ended with a \$3,731,800 deficit, which resulted in a \$1,636,234 positive variance for the Unrestricted General Fund. This positive variance was mainly increased by a team effort of conserving budgets across the campus, savings from vacant positions, the ability to increase classes to earn growth funding included in Proposition 30, and opting in for the Mandated Costs Block Grant.

However, the variance was largely decreased by \$4.7 million as a result of the Statewide Structural Deficit (\$1.3 million), and a deficit for the Redevelopment Agencies Revenues Shortfall (\$3.4 million). By legislative action, a guaranteed backfill of these redevelopment revenues was put in place, but the amount of this backfill is disputed by the Department of Finance. The statewide deficit which may result from this dispute is in the range of 0.7% to 2.4%. Community college leaders are currently working with the Department of Finance, the Legislature, and the Chancellor's Office to reconcile the discrepancies. The outcome of these negotiations is unknown. Mt. SAC could recover anywhere from \$1.4 million to \$3.4 million. Consequently, Mt. SAC has taken a conservative approach by including only \$1.4 million of redevelopment backfill in the budget.

We continue to have an ongoing structural deficit with ongoing budgeted expenditures exceeding ongoing revenue. Due to built-in escalation factors such as step increases and utility costs, this ongoing structural deficit will continue to increase until Mt. SAC receives additional cost-of-living adjustments or growth funds from the State. Therefore, our collaborative work to reduce expenditures and seek additional revenue must continue in order to maintain Mt. SAC's fiscal health and stability.

The 2013-14 proposed budget reflects the Governor's recognition of the important role that community colleges play in providing access to quality, affordable higher education. Although the proposed 2013-14 budget for community colleges has improved our funding, anticipated revenues continue to be less than our current expenditures. As always, the budget is considered a dynamic planning document flexible enough to be responsive to the College's needs, yet very dependent upon uncertain, variable revenue.

This year's budget is based on achieving 1.63% in growth and includes the 1.57% cost-of-living adjustment. Increase in growth creates the demand for new facilities, staffing, and other budgetary challenges. To address the facility needs and infrastructure, the Board recently approved the issuance of \$145 million in general obligation bonds. Included in the budget are ongoing unrestricted general fund revenues of \$137,408,765, which were projected using information provided by the State Chancellor's Office. Ongoing unrestricted general fund expenditures are estimated at \$146,853,655, leaving a projected ongoing budget deficit of \$9,444,890.

The 2013-14 proposed budget includes a 1.57% on-schedule salary increase, an additional 1% salary increase, and \$1,500 annually for health and welfare for the Faculty, CSEA 262, and CSEA 651. The additional 1% salary increase and the annual \$1,500 for health and welfare will be considered one-time for the 2013-14 fiscal year if the State-funded cost-of-living adjustment (COLA) for the 2014-15 fiscal year is less than 2%.

The budget also includes \$1,238,791 for New Resources Allocation Requests and \$175,570 of ongoing funds from the restricted Lottery for Instructional Materials and Educational Software.

The use of one-time funds (unassigned fund balance above the Board-mandated 10%), ongoing and one-time revenue increases, and ongoing and one-time expenditure reductions allows us to offset the current year estimated deficit. However, the increase of ongoing expenditures, which primarily caused the \$9.4 million structural deficit, is ongoing and our one-time funds are finite. Consequently, we will continue to work collectively to identify additional actions to reduce expenditures and increase revenue, developing a plan that will take us through the following two fiscal years. Fortunately, the State is on its way to recovery, and Mt. SAC will take this opportunity to grow and provide quality programs and services for students and a stable, fairly-compensated employment for our faculty and staff.

The 2013-14 proposed budget is not balanced – unrestricted general fund revenues remain over \$9 million less than budgeted expenditures – but it still includes some unassigned reserves above the 10% mandate, every penny of which we will need to offset the impact of possible one-time reductions such as the Statewide Structural Deficit or the Redevelopment Revenues Shortfall in the 2013-14 fiscal year, and increasing expenditure obligations year-to-year. The College will continue to

determine the best plan of action necessary to protect and maintain fiscal stability. You will notice the 2013-14 proposed budget continues to have an increased level of detail. This is in an effort to increase transparency, which will assist in developing a meaningful and productive dialogue among all constituencies and will serve Mt. SAC well as we search for solutions to help manage the budget.

As we begin a new academic year, we must re-dedicate ourselves to the Vision, Mission, and Core Values of the College. With all of the opportunities and challenges facing us, Mt. SAC continues to deliver quality programs and services to over 60,000 students through the passionate hard work of our dedicated faculty and staff. Our tradition of excellence, innovation, and leadership has made Mt. SAC one of America's finest community colleges.

### **2013-14 Adopted Budget Overview**

Title 5 of the California Code of Regulations requires that community college districts use budgets to monitor expenditures as part of sound fiscal management. The budget is also a management tool used to document and monitor the fiscal plan for the College. Prior to the end of the fiscal year, each California community college is required to prepare and submit a tentative budget for the Board of Trustees' approval. The College brought the tentative budget to the Board of Trustees for approval in June.

#### **Revenues**

The College receives revenue from a variety of sources. Each source may dictate the basis upon which the revenue is allocated or earned, how it may be spent, and the continuing availability of the revenue.

State revenue available to community colleges is dictated by Constitutional Amendments and enabling legislation. Proposition 98 provides specific procedures to determine a minimum guarantee for annual K-14 funding. The original legislation specifying a split between K-12 and community colleges, allocating approximately 11% to community colleges, which was enacted in 1988-89, has been suspended since 1992-93, with community colleges receiving much less than the statutory 11%. However, in the 2013-14 fiscal year, the State is fully funding Proposition 98. When the amount of funding, which would normally flow through to the community colleges is short (for whatever reason, but primarily due to a property tax or enrollment fee shortfall), our funding is "deficited." Contrary to what one might expect in the opposite circumstance, when there is a "surplus," colleges are not allowed to keep the additional property tax or enrollment fee revenues.

With the passage of Proposition 30 and the dissolution of the redevelopment agencies, the apportionment funding for community colleges is based on greater estimates. In the 2008-09 fiscal year, two-thirds of the apportionment was General Fund approved in the Budget Act. Since 2012-13, this ratio has changed to be one-third. The remaining two-thirds are based on estimates that may or may not hold. The revenues from Proposition 30 are held in the Education Protection Account (EPA). These revenues and the Redevelopment Agency revenues are components of districts' base apportionment. Similar to "Local Property Taxes," districts' State aid is reduced by one dollar for each dollar received from the EPA or Redevelopment Revenues.

Based on legal requirements and State projections of total revenues available in the coming year, the Legislature and the Governor ultimately determine an amount to be provided for community colleges. Projecting a college's revenue based on statewide

allocations involves many dynamic factors and complications. Of significance is the concept of “prior period adjustments,” whereby a college does not know for certain what its revenue was for the prior fiscal year until February or March of the subsequent fiscal year. In the First Period Apportionment report (“P-1”), normally received in February, corrections made to the prior year may also modify the current year’s base revenue. What eventually happens depends upon not just Mt. SAC’s enrollment and State funds budgeted for community colleges, but also on the actual enrollment of all California Community Colleges.

Mt. SAC’s main source of revenue comes from a combination of property taxes, enrollment fees, and State apportionment, which equal Mt. SAC’s total computational revenue or total base apportionment allocation. The State Apportionment includes the funds as a result of the passage of Proposition 30. This proposition temporarily raises the sales and use tax by .25 until the end of 2016. It also raises the income tax annual earnings over \$250,000 until the end of 2018.

Apportionment revenue is based on \$4,565 per Credit FTES and \$2,745 per Noncredit FTES. In addition, courses that qualify under the new Enhanced Noncredit criteria are funded at \$3,232 per FTES. Apportionment revenue has been budgeted at our estimated 2012-13 base allocation plus \$1,379,317 in growth restoration and \$1,974,478 in the 1.57% cost-of-living adjustment. In addition, Nonresident Tuition has been increased by \$250,000 to align with actual revenues received in 2012-13. The State Lottery rate is estimated to increase from \$122 to \$126, which equals \$107,058. Interest earnings have been decreased by \$200,000 due to low interest rates. Included in the proposed budget are ongoing unrestricted general fund revenues totaling \$137,408,765, which is \$3.6 million more than the total revenue budgeted for the 2012-13 Adopted Budget.

## **Expenditures**

As a direct result of the continuously changing State revenue projections, our budget planning process has been significantly altered from past years. Most of the College’s expenditures are those with very little discretion such as salaries, benefits, utilities, and ongoing costs and commitments. Since the College received a One-time Mandated Cost Block Grant and Growth/Restoration in the 2012-13 fiscal year, a total of \$1,238,791 has been assigned for the New Resources Allocation Requests to be distributed in fall 2013.

In the 2013-14 proposed budget, Faculty, CSEA 262, and CSEA 651 will receive a 1.57% on-schedule salary increase, an additional 1% salary increase, and an annual \$1,500 for health and welfare, totaling \$3,881,885. The additional 1% salary increase and the annual \$1,500 for health and welfare will be considered one-time for the 2013-14 fiscal year if the State-funded cost-of-living adjustment (COLA) for the 2014-15 fiscal year is less than 2%. The last time employees received salary-negotiated increases was in the 2011-12 fiscal year.

Included in the budget are ongoing expenditure increases, which include the annual step-and-column salary progression along with the associated employer-paid benefits. Some of the most significant budget decreases are \$775,405 in unemployment insurance due to a rate decrease from 1.10% to .05%, and \$442,818 for the net decrease of six full-time faculty positions with the corresponding backfill. Besides the salary increases for the Faculty, CSEA 262, and CSEA 651 previously mentioned, some of the most notable increases are the Class Schedule Increase of 530 FTES in spring 2013 and the increase in the Contribution to the OPEB Trust due to June actuarial valuation. The total ongoing expenditures for the Unrestricted General Fund are estimated at \$146,853,655, leaving a projected ongoing deficit of \$9,444,890. The College must continue to work together to reduce the ongoing structural budget deficit. Mt. SAC's history of healthy reserves has allowed the College to continue the many outstanding programs and services for which it is known while allowing for careful consideration of budget plans for the 2013-14 fiscal year and beyond.

The College has ended the 2012-13 fiscal year with a \$27.7 million fund balance in the Unrestricted General Fund, which represents a 19.94% fund balance. The 2012-13 Adopted Budget projected the fund balance to be \$23.4 million. The \$4.3 million increase is primarily due to an increase in revenues for Growth, the Mandated Cost Block Grant, Revenue-Generated Accounts, savings in vacant positions and department budgets, and the decrease in the Redevelopment Revenues Shortfall and the Statewide Structural Deficit. We are fortunate to continue to end the fiscal year with a strong fund balance (reserves). Mt. SAC's history of healthy fund balances (reserves) has allowed the College to continue the many outstanding programs and services for which it is known while allowing for careful consideration of budget plans for the 2013-14 fiscal year and beyond.

### **One-Time Revenues and Expenditures**

The College ended with a \$3.8 million deficit. This decrease was largely attributed to a \$4.7 million apportionment shortfall as a result of the Statewide Structural Deficit (\$1.3 million) and a deficit for the Redevelopment Agencies Revenues (\$3.4 million). The guaranteed backfill of these redevelopment revenues is in dispute due to timing issues and gaps. The Statewide deficit is in the range of .7% to 2.4%. Community college leaders are currently working with the Department of Finance, the legislators, and the Chancellor's Office to reconcile the discrepancies. The outcome of these negotiations is unknown. Mt. SAC could recover \$1.4 million or \$3.4 million. Mt. SAC has taken a conservative approach by including \$1.4 million in the budget.

The budget also includes \$1,842,576 for the 2013-14 Access, Growth/Restoration (1.63%), and the corresponding Class Schedule cost of \$1,105,014. Another significant revenue increase is the Mandated Cost Block Grant of \$790,520. One-time expenditures include budget carryovers, One-time Support, and Immediate Needs Requests One-time. The Board election expenses have been substantially decreased. The expense will only include the cost of two new members as there was

no opposition to the existing members up for re-election. In order to conserve Mt. SAC's Fund Balance, the College will not be making the annual required contribution to the OPEB Trust, and the retiree medical premiums will be paid from the OPEB Trust. This will result in a total one-time savings of \$6,585,543.

**Revenue-Generated Accounts**

The fund balance increased from \$1,592,580 to \$2,720,704 primarily as a result of the inclusion of the Auxiliary Services Trust accounts. This carryover fund balance has been budgeted in the 2013-14 fiscal year.
