Application of Learning

For one week, implement three new reading strategies you learned to help you effectively read and understand information from a text for a course you are currently taking or will take in the future.

Describe in a minimum one-page written response how you used the strategies and whether or not they were helpful for you. After you have written your description, show your skills development instructor the strategies you used.

Assessments

Ask your Skills Development Instructor for the final reflection for this assignment entitled *Reflection is Part of Learning*.
