

A personal health coach, to help you get healthier

Available at no cost to you, Vida Health matches you to a health coach with proven success in helping people improve nutrition, lose weight, manage stress and make the kind of lifestyle changes that lead to happier, healthier lives.

Whether you want to focus on nutrition, weight loss, anxiety, depression or simply building healthy routines one day at a time, your coach will develop a personal plan and guide you every step of the way.

You can sync devices – like fitness trackers, scales, and blood sugar meters – to monitor your progress in the app. And simple lessons and practices will help you create new healthy habits to last a lifetime.
